List ALL scholarship applicants, their school, league and GPA (4.0 scale, please verify) highest to lowest. After you email me the final list, I will then check to see which wrestlers made districts, and if the coaches have paid their dues, both are scholarship qualifiers. If there are no applications from a League or only one and there should be two, we will award an at large scholarship to the wrestler with the highest GPA who did not qualify as a scholarship winner from their league.

Counselors should Email the scholarship winners to me as soon as possible after the Wednesday before districts.
